Do you know the 5 mother sauces?

In your kitchen its time to explore your new culinary vision building from the five French mother sauces - Béchamel, Velouté, Espagnole, Tomato, and Hollandaise. Variations create sweet and/or savory sauces and are still traced back to the foundational five. Simple

ingredients - flour, butter, and a liquid act as the base, and can be developed into multiple classic sauces using a few simple techniques. Tomato sauce is well known as one of the pillars of Italian cooking represented in classic recipes featuring Marinara, Pomodoro, or piquant

Puttanesca, and Arrabbiata sauces. Deciding on which to feature in your cooking is up to you. Remember to always enjoy yourself and share the fare. Find out more information about sauces in [L'Art de la Cuisine Française au Dix-Neuvième Siècle](#) by M. Carême.
